

Creative Photography Workshop

Sat 25th Feb

10.00 – 13.00

We will be looking at other people's work and discussing ways of improving your photographs using the manual settings available on SLR cameras. Discover the relationship between apertures, shutter speeds and focus and see how you can be a more creative photographer. Bring in your camera (along with the instruction manual if you have one), and a selection of your own pictures for discussion.

Course fee £10

Imogen Cunningham – Two Callas 1929
